Board of Health COVID Discussion

CDPHE Representative Michelle Child met with the BOH and Dolores County's Public Health Nurse Mary Randolph. Dolores County is currently under "Yellow" according to the matrix guidelines. According to CDPHE the County should be moved to red due to the increase in cases during the last two-week period.

CDPHE explained that DOLA funds recently became available for small businesses affected by the pandemic. To receive the funds businesses must be located in a county listed as a "Red" county on the matrix and be able to show a 20% loss in revenue. A deadline of Thursday, December 10 was required for funding availability to the businesses. The BOH was not comfortable agreeing with the red matrix status as it requires schools to close and businesses to conduct drive through or pickup orders only. In person dining is not allowed under the red status. The BOH requested a decision delay until local businesses could be contacted regarding the funding availability verses being able to operate under an "orange" matrix status.

A meeting was scheduled for Wednesday, December 9 at 2:30pm.

Commissioner Garchar closed the meeting.
