

File No. _____ Application date _____

If additional space is needed to complete this form, attach additional pages referencing the applicable paragraph.

A. Name, Address and telephone number of applicant.

Dolores Canyon Solar LLC c/o David Kimmett, AICP

1710 29th St #1068

Boulder, CO 80301

work: 720.838.2318 mobile: 720.708.9149

B. Name, Address and telephone number of owner if different from applicant. (Attach evidence that owner is aware of and consents to the filing of this application).

*See additional page for list of landowners

C. Name, Address and telephone number of applicant's representative or agent if any.

- D. A legal description, including street address or assessor parcel number, as applicable, of the land and site on which new development or change in land use is proposed.

*Please refer to attached legal description document

- E. A brief description of the existing land use and general character of the use of adjacent lands.

Existing land use is dominated by actively-tilled agricultural lands, with some undisturbed native scrub and forestland.

Adjacent lands are generally a combination of active agriculture and native scrub and forestland.

- F. A brief description of the new development or change in land use being proposed, including a general description of any planned or potential future expansions.

Dolores Canyon Solar will be a ground-mounted, single-axis sun tracking solar photovoltaic energy generation facility. Maximum capacity will be 110 megawatts, with the energy produced being delivered into the adjacent Tri-State Generation & Transmission Association 115 kilovolt Cahone Substation.

There are no planned future expansions of the facility at this time.

- G. attach a list of all property owners adjacent to or within one-half (1/2) mile of the outside boundaries of the property on which the new development or change in land use will take place.

*Please refer to attached list of property owners within 1/2 mile of project perimeter

H. Attach a payment of the initial fee established in accordance with Article VI, Section 2 of this regulation.

***See attached reference to payment**

In addition, applicants may summarize the information required by Section 4, Supporting Documents, of this regulation and provide any additional information he, she or they consider pertinent to approval of the proposed new development or change in land use.
