- T1 PRI

Emery Telcom has Points-of-Presence in Salt Lake City, Provo, Carbon County, Emery County, Grand County, San Juan County, Hanksville and Grand Junction, Colorado.

**WE OFFER FREE
NETWORK ANALYSIS
OF YOUR BUSINESS!**

INSTALLATION FACTS

1. All fiber drops must be aerial if possible.
2. If aerial is unavailable, Emery Telcom will proceed to bury the drop at no charge to the customer. However, if the customer chooses to do a buried drop when aerial is available, the customer will be responsible for burying the pipe from their property to the road.
3. Customers burying their own pipe can get the pipe at no cost from Emery Telcom. Please call one of our offices to make arrangements.
 - Moab - 435.259.8521
 - San Juan - 435.270.4021
 - Toll Free - 877.797.8922
4. If the customer wants a contractor from Emery Telcom to install the buried drop, it will cost \$5 per foot.
5. Emery Telcom will use best practice protocol when installing a buried drop.
6. At the home, there will be a splice box mounted to the outside of the house and a fiber ran to the inside of the home to the Wi-Fi Router.
7. For answers to your installation questions, please call one of our offices.
8. In order to install your new fiber optic service, we need good contact information. Preferably a cell phone number. Please call one of our offices to make sure we have your correct contact information. Emery Telcom will call you when we are ready to set up your appointment. The customer must be home during the installation.

THANK YOU FOR YOUR COOPERATION DURING THIS CONSTRUCTION PERIOD!
