Lift Station Repair Discussion

Listed above were the attendees of a Special Meeting at the Dolores County Pioneer Center to discuss remedying the issues with the Pioneer Center's Lift Station.

There was an in-depth discussion concerning design, installation, inspections, site testing, settling, damage, operational issues and remedies. The site was visited. Issues were visible while the pump was operational.

Water Solutions Representative Dagan Chadd emphasized CDPHE's demand for an immediate fix.

The original subcontracted installer of the system is being contacted to warrant the repairs.

The parties agreed to moving forward with the repairs, reserving arguments regarding fault and cost apportionment.

Commissioner Cook adjourned the meeting.
