A Special meeting of the BOCC was requested by Commissioner Garchar to discuss County Road 9.7 and the option of repairing and opening the road back up to the public. There was much discussion with Sheriff Wilson and Ems Manager Keith Keesling regarding accessibility and safety. Dagan Chadd with the Town of Dove Creek discussed their need to access the road to maintain the town water line. Road and Bridge Supervisor Steve Davis still needs to view and assess the road and the time and materials it will take to repair the road.
