To vote for a named candidate, or for or against a ballot measure, completely fill in the oval to the right of your choice. Use blue or black ink.

If a race includes a write-in line, you may vote for a write-in candidate by completely filling in the oval to the right of the line and printing at least the last name of an eligible write-in candidate on the line.

To make a correction, draw a bold line through the oval and candidate name or ballot measure selection marked by mistake, then fill in the oval next to the correct name. If you voted for the only candidate in a race and want to withdraw that vote, you must request a replacement ballot.
