

TAX LIEN SALE INFORMATION

GENERAL INFORMATION

It must be understood that the sale and purchase of a tax lien does not convey the right of possession, use, improvement, or access to said property.

Premium bids are never reimbursed in redemptions. All premium bids are made at the investor's expense. Premiums are not refunded and earn no interest.

Each buyer is required to register in the way the tax certificate is to be issued with, name, address, and telephone number.

Each parcel is subject to general bidding and the tax lien will be sold to the buyer who shall further pay the largest amount in excess of said taxes, penalty interest, advertising, and other charges.

A certificate of purchase will be issued for each tax lien. Three years from the date of the certificate, if the lien remains unredeemed, the certificate holder may apply for a Treasurer's Deed to the property. Certificates of Purchase will expire after fifteen (15) years according to C.R.S. 39-11-148. Certificates can be redeemed at a time prior to the issuance of a Treasurer's deed.

In the event the lien remains unredeemed, the certificate holder has the right to pay subsequent years delinquent taxes. These payments are referred to as endorsements and occur in August of each year.

BUYER BEWARE

All tax lien sales are offered with a "BUYER BEWARE" warning. It is the buyer's responsibility to know the quality and desirability of the property on which they are paying taxes and receiving a tax lien. Bidders must rely entirely on their own information, judgement, and inspection of the property records.

PROHIBITED BUYERS

No Dolores County official or employee may purchase a tax lien at this sale as per the Declaration of Statutory Compliance. This also applies to the immediate family or any agent of a Dolores County official or employee.
